**15:35 - 16:00** Feedback, PPI Awards and Future Directions

## Workshop 1 Overview

<b>Workshop 1A: Pre -Clinical Research</b>		<b>Chaired by: Julie Simpson</b>
<b>10.25 - 10.40</b>	<b>Introducing PPI to the next generation of cancer researchers</b> Valerie Speirs, Professor of Molecular Oncology, University of Aberdeen	
<b>10:40 - 10:55</b>	<b>Establishing a menstrual bleeding disorders PPI group</b> Marianne Watters, Clinical Research Fellow, University of Edinburgh	
<b>10:55 - 11:10</b>	<b>Experiences from the CRUK RadNet Glasgow PPI Group</b> Dr Aileen Duffton, Lead Research Radiographer, NHS Greater Glasgow and Clyde; and Linda Galbraith, PPI Lead, RadNet Glasgow	
<b>11:10 - 11:25</b>	<b>PPI in basic science research in diabetes</b> Anna Barnett, NHS Research Scotland Diabetes Network Manager, University of Dundee; and Jennifer Watson, PPI contributor	
<b>Workshop 1B: Working with Underserved Groups</b>		<b>Chaired by: Carol Porteous</b>
<b>10.25 - 10.40</b>	<b>Co-producing research with people with living/lived experience of substance use</b> Aileen O’Gorman, Professor of Substance Use and Social Policy, University of the West of Scotland	
<b>10:40 - 10:55</b>	<b>Consortium Against Pain Inequality (CAPE) – engaging and involving adults with lived experiences in research on the impact of adverse childhood experience on chronic pain</b> Judith Fisher, PPIE Co-ordinator, University of Dundee	
<b>10:55 - 11:10</b>	<b>‘We’re vaccine curious not vaccine hesitant’: working with community organisations to produce evidence-informed recommendations about increasing COVID vaccine uptake among ethnic minority groups</b> Professor Shaun Treweek, Professor of Health Services Research, University of Aberdeen	
<b>11:10 - 11:25</b>	<b>Barriers and Facilitators to ethical co-production with Autistic individuals with lived/living experience of eating disorders</b> Dr Fiona Duffy, Consultant Clinical Psychologist/Senior Lecturer, Edinburgh University; and Becky Choat, Scottish Womens Autism Network	
<b>Workshop 1C: Improving Clinical Trials with PPI</b>		<b>Chaired by: Sarah Kennedy</b>
<b>10.25 - 10.40</b>	<b>Patient and Public Involvement in Decentralised Clinical Trials</b> Dr Amy Rogers, Clinical Lecturer, University of Dundee, Mr Ken Tait, member of the Trials@Home Project Patient Expert Panel	
<b>10:40 - 10:55</b>	<b>MND-SMART – PPIE Group</b> Judith Newton, Motor Neuron Disease Nurse Consultant for Scotland, University of Edinburgh	
<b>10:55 - 11:10</b>	<b>Public and Patient Involvement in a trial of remotely-delivered weight management for people with long covid and excess weight</b> Dr Tracy Ibbotson, PPIE lead, University of Glasgow; and Chris White, Long Covid Scotland	
<b>11:10 - 11:25</b>	<b>Empowering Patient Involvement in Cancer Clinical Trials</b> Andrea Harkin, Operations Director, Glasgow Oncology Clinical Trials Unit; and Elspeth Banks, PPI Oversight Group Chair, Glasgow Oncology Clinical Trial Unit	

## Workshop 2 Overview

<b>Workshop 2A: Working with Underserved Groups</b>		<b>Chaired by: Sarah Kennedy</b>
<b>11:30 – 11:45</b>	<b>PPI to guide an inclusive, viable approach to PhD study design exploring: Barriers to healthcare service access in socioeconomically deprived people living with Long COVID in Scotland</b> Heather Potter, Robert Gordon University PhD Student, School of Nursing and Midwifery, Robert Gordon University	
<b>11:45 – 12:00</b>	<b>Working with underserved groups in physical activity for health research in Scotland – drawing on global experience</b> Deirdre Harrington, Senior Lecturer, University of Strathclyde	
<b>12:00 – 12:15</b>	<b>How can care for mental health patients be optimised</b> Dr Jane Grassie, Emergency Medicine Consultant, Victoria Hospital Kirkcaldy, NHS Fife	
<b>12:15 – 12:30</b>	<b>Experience of engaging with people from minority ethnic communities and lived experience of chemotherapy</b> Rubina Zafar, Patient Partner, SenseCheQ	
<b>Workshop 2B: Aging, Caregiving, Cognitive Impairment</b>		<b>Chaired by: Julie Simpson</b>
<b>11:30 – 11:45</b>	<b>Creation of 'Partners in Research' and 'Research in Care Homes (RICH) Voices'</b> Dr Rosie Ashworth, Patient and Public Involvement Lead, NRS Neuroprogressive and Dementia Network	
<b>11:45 – 12:00</b>	<b>Embedding public involvement in Palliative Care PhD research in Fife</b> Dr Sarah Bowers, Clinical PhD Fellow, University of St Andrews; and Neil McNair, public contributor	
<b>12:00 – 12:15</b>	<b>IncludeAge: Working with older people with learning disabilities to encourage and support their active involvement in a research project</b> Dr Joe Tai, Postdoctoral Research Associate, University of Dundee; and Heather Blair, Lived Experience Expert, Advocating Together	
<b>12:15 – 12:30</b>	<b>CareFit app - aiming to improve physical activity awareness and accessibility for informal carers</b> Kieran Egan, Senior Research Fellow, University of Strathclyde	
<b>Workshop 2C: Impact and Evaluation</b>		<b>Chaired by: Carol Porteous</b>
<b>11:30 – 11:45</b>	<b>Evaluating and Recording PPI Impact within the Usher Respiratory Team</b> Anna Crawford, Patient and Public Involvement and Engagement Officer, University of Edinburgh; and Lynn Laidlaw, EAVE II PPIE Group, Usher Institute, University of Edinburgh	
<b>11:45 – 12:00</b>	<b>A Research Funder's Perspective</b> Sarah Thomas, Research Manager, Make 2nds Count	
<b>12:00 – 12:15</b>	<b>Ensuring SPECTRUM research is grounded in public views</b> Becky Howell, Research Assistant, University of Stirling; and Laura Santi, Alcohol and Food Discussion Group	
<b>12:15 – 12:30</b>	<b>How can we evidence the impacts of public involvement in policy-engaged population health research? Insights from participatory evaluation of a multisector sexual health research collaboration (CONUNDRUM)</b> Dr. Ruth Lewis, Lecturer, School of Health and Wellbeing, University of Glasgow	

## Workshop 3 Overview

### Workshop 3A: CSO Early Career Researchers

Chaired by: Julie Simpson

This session will focus on the latest round of CSO Fellows, their projects and their PPI plans going forward.

- Dr Hamed Badmos, Postdoctoral Research Associate (Therapeutic Science Research), University of Glasgow
- Dr Stephanie Allan, Research Associate (Mental Health and Wellbeing), University of Glasgow
- Rebecca Graham, Postdoctoral Research Fellow, University of Edinburgh
- Dr Joseph Symonds, Senior Clinical Research Fellow (Mental Health & Wellbeing), University of Glasgow

### Workshop 3B: Rewards and Finances

Chaired by: Sarah Kennedy

13:30 – 13:45	<p><b>Health Services Research Unit's journey towards more equitable collaboration with public researcher partners</b></p> <p>Dr Magdalena Rzewuska Díaz, Advanced Research Fellow, Patient and Public Involvement and Engagement Lead; and Peter Flockhart, public research partner</p>
13:45 – 14:00	<p><b>Involving Universal Credit claimants in research</b></p> <p>Dr Marcia Gibson, Research Associate, MRC/CSO Social and Public Health Sciences Unit, School of Health and Wellbeing, University of Glasgow</p>
14:00 – 14:15	<p><b>PPI Rewards, finances and acknowledgment at the Asthma UK Centre for Applied Research Patient and Public Involvement Platform</b></p> <p>Laura Gonzalez Rienda, Asthma UK Centre for Applied Research Patient and Public Involvement Platform Research and Operations Assistant, Usher Institute, University of Edinburgh</p>
14:15 – 14:30	<p><b>The importance of navigating PPI activities with partner organisations and participants on their drug use recovery journey: more is not always better</b></p> <p>Dr Camila Biazus Dalcin, Lecturer, School of Health Sciences, university of Dundee</p>

### Workshop 3C: PPI in Data Science

Chaired by: Carol Porteous

13:30 – 13:45	<p><b>"My Data": a PPI project to understand the perceptions of administrative data usage for research of people who used drugs</b></p> <p>Louise Marryat, Baxter Fellow and Public Engagement Lead, University of Dundee</p>
13:45 – 14:00	<p><b>Scotland Talks Data: Reflections on Recruitment and Working in Partnership</b></p> <p>Harriet Baird, Engagement Lead, Scottish Centre for Administrative Data Research, University of Edinburgh and Katie Oldfield, Public Engagement Manager, Research Data Scotland</p>
14:00 – 14:15	<p><b>Dedicated funding, people, and time: the game changers for PPIE in health data research</b></p> <p>Sharon Gordon, ACHDS Programme Co-ordinator, University of Aberdeen</p>
14:15 – 14:30	<p><b>Searching for the sweet spot between accuracy and clarity: developing an animation for the UK Longitudinal Linkage Collaboration in partnership with public contributors</b></p> <p>Kirsteen Campbell, Communications and Engagement Officer, University of Edinburgh</p>

## Workshop 4 Overview

<b>Workshop 4A: Working with additional needs</b>		<b>Chaired by: Julie Simpson</b>
<b>14:50 – 15:05</b>	<b>Research for Everyone: making complex health research easier to understand</b> Fiona Barlow, Impact and Communications Officer, Scottish Learning Disabilities Observatory at the University of Glasgow; Aaron Hume, public contributor	
<b>15:05 – 15:20</b>	<b>An inclusive approach to patient and public involvement (PPI)</b> Dr Chris McParland, Postdoctoral Research Associate (Nursing) - University of Glasgow	
<b>15:20 – 15:35</b>	<b>Lessons learned from a PPIE project with underserved groups: What matters to you? Exploring Equitable Access to Healthcare with Black, Asian, and Global Ethnic Majority Women (GEM) in Aberdeen</b> Leila Neshat Mokadem, Senior Lecturer (Pharmacy), University Equality Champion, PhD candidate (PPIE), Robert Gordon University	
<b>Workshop 4B: Working with Children and Young People</b>		<b>Chaired by: Sarah Kennedy</b>
<b>14:50 – 15:05</b>	<b>Children and Young People, Parents and Patients as Active Partners in Clinical Trial Design and Health Technology Development- What Difference Does it Make?</b> Dr Pamela Dicks, Network Manager and PPI Lead, NHS NRS Children's Network; and member the Young Persons Advisory Group (YPAG)	
<b>15:05 – 15:20</b>	<b>Loneliness in a Digital World - meaningfully involving young people in shaping health research</b> Sarah Robertson, Youth Engagement Lead, Generation Scotland/University of Edinburgh; and Eva Drummond, public contributor	
<b>15:20 – 15:35</b>	<b>What factors influence young people's involvement in policymaking and service improvement? A systems perspective</b> Carolyn Blake, Research Associate, University of Glasgow	
<b>Workshop 4C: Support for PPI</b>		<b>Chaired by: Carol Porteous</b>
<b>14:50 – 15:05</b>	<b>Creative approaches to reimagining patient and public involvement (PPI) in cancer research</b> Gaston Welisch - Research Associate, Glasgow School of Arts	
<b>15:05 – 15:20</b>	<b>Values and value in patient and public involvement: moving beyond methods</b> Rosemary Hollick, Senior Clinical Lecturer and Honorary Consultant Rheumatologist, University of Aberdeen; and Lynn Laidlaw, public contributor	
<b>15:20 – 15:35</b>	<b>Developing a flexible approach to Involvement meeting the needs of patients, carers, patients, health providers academics and the whole research community</b> Chris White, Network Involvement Worker, NRS Mental Health Network
